Management Company:	Morgans Hotel Group
General Manager:	Gary Thomas
Interior Design:	Morgans Hotel Group in collaboration with Benjamin Noriega-Ortiz
Design Architect:	Barry Rice Architect PC
Architect of Record:	H. Thomas O'Hara, Architect PLLC
Originally Built:	1914
Opening Date:	March 1, 2011
On Concept & Design:	<p>For the first time since its debut in 1984, the hotel group credited with the creation of the boutique hotel claims a stake in Manhattan's famed neighborhood and home to the sophisticated and chic, SoHo. With the opening of the latest addition to its eminent Mondrian brand, Morgans Hotel Group will enchant guests with yet another innovative vision by Benjamin Noriega Ortiz, inspired by Jean Cocteau's cinematic interpretation of the tale of "La Belle et la Bete". With Mondrian's design, Noriega will awaken the imagination and invite guests into a fantasy that will offer them an escape into a light and simply pleasant state of captivation.</p> <p>The hotel boasts an intimate yet mesmerizing ambiance that will capture the sparkling charm and romance of New York, a restaurant by chef Sam Talbot, renowned Morgans nightlife, and guest rooms sure to widen eyes of all ages, tastes, and origins with stunning views wrapping around the island of Manhattan, custom-designed bath fixtures, and an ever so sumptuously clever nod to the tale here and there.</p>

Location:

Mondrian is situated intimately in the midst of lower Manhattan's coveted SoHo neighborhood. SoHo, short for "South of Houston" is well known for its a-list residents, preciously chic and picturesque streets, charm and energy. With an extraordinarily unique offering of retail, art and culinary destinations, this cozy corner on the map has a culture all its own. Boasting over 100 shops, 250 galleries, and nearly 200 restaurants, SoHo is the most talked about neighborhood in New York. Noteworthy destinations in the neighborhood include Jill Sander, Opening Ceremony, Saturday Surf Shop and Bloomingdales. Nearby and nearly as popular areas include Greenwich Village, Nolita, the Lower East Side, Tribeca and Chinatown.

Imperial No. Nine:

Imperial No. Nine is a sustainable seafood concept by Mondrian Soho's Executive Chef Sam Talbot. Talbot has harnessed the fervor regarding green-conscious, farm-to-table menus, and taken it to the next level, utilizing only sustainable, responsibly procured fish. Sourcing the freshest, renewable products has become an integral part of Chef Sam's daily market menu mission. Supper-goers will dine family-style, and revel in sharing and savoring a multitude of bright seafood delights. Overnight guests and neighborhood foodies alike will revel in taking a "breakfast to swear by" in Mondrian's regal, sun-drenched Garden Room, and South of Houston lunch-goers will have a unique, culinary destination in the midst of new action on

Crosby Street. Chef Talbot and his Imperial No. Nine promise to be the standard-bearers for the new face of downtown dining for years to come.
